The Mindful AND Effective Employee

Our vision is to create a world that promotes mental health well-being in the work place.

ACT has been shown to be an effective intervention to manage workplace stress and improve employee performance (Flaxman & Bond; Hayes, Bond & Barnes-Holmes)

WEDNESDAY 17TH OCTOBER 2018
WEDNESDAY 21ST NOVEMBER 2018
9.00am - 1.00pm, Includes Brunch

University of Melbourne

48 GRAHAM STREET, SHEPPARTON

Learning Outcomes:

- Promote employee self awareness.
- Help employee indentify values, goals and actons.
- Help employees enhance, find purpose, direction and meaning.
- Offer new ways to improve work and life effectiveness.

ACT Consists of 2 components:

1. Learning to experience difficult thoughts and feelings, without trying to control them, change them or avoid them (Mindfulness).
2. Take action by choosing to move towards your goals, values, (who or what is important to you), even when difficult thoughts, feelings and memories show up.
